

Dear Sponsors;

Thank you for your consideration in helping sponsor the athletes of **Westchester's Pride Volleyball Club**. It is very expensive to participate in club volleyball nationwide, and many of our athletes would miss out on the opportunity to advance their skills, and prepare themselves to play at the highest level of volleyball. This is all made possible through donations that we receive from sponsors, such as yourself. All the proceeds from sponsorship go towards the cost of operating our club which includes; facility rental, tournament fees, travel expense, uniforms, lodging and the like. We would like to have the teams participate in national tournaments so the money would be greatly appreciated. It is the goal of the Administrative and Coaching staff at Westchester's pride, to give our athletes the opportunity to obtain scholarships to play at the collegiate level, and your sponsorship will help us to that end. Please consider one of the below listed sponsorship levels, and again thank you for your consideration.
